

RHEUMATISM

Tear an Allcock's Porous Plaster in two lengths, and apply on soles of feet; renew the plaster every time the feet are bathed. You will be surprised how it will relieve rheumatism in the feet or ankles.

For tired or lame feet relief is afforded at once.

Allcock's PLASTER

Allcock's Plaster are the original and genuine porous plasters and have never been equalled as a pain-curer. We guarantee them to contain no belladonna, opium or any poison whatever. Absolutely safe, wonderfully curative.

Insist Upon Having Allcock's.

April 24 and week—"Guy Hickman"
company.

Carle Has Pretty Show.

Richard Carle, in "The Tenderfoot," is a most attractive personage. He is accompanied by about as pretty a bevy of charming girls as ever graced the stage of the Illinois theatre, where this merry gentleman will hold forth Thursday evening. The aforeaid gathering of femininity constitutes the chorus of this tunefully successful musical play. The cast, as seen here, will be nearly identical with that exploited during the metropolitan runs. Theatregoers of

Nearly Everybody Has
Constipation—Many
Don't Know it.

Food Stops in the Bowels and Rots in the System—The Results?

Decay, poison and pollution, not only of everything you eat, but of everything you shall eat in the future, until you get rid of constipation. Do you wonder why you have bad blood, bad breath, sores, pimples, salivary gland enlargement, and diseased stomach, decayed lungs, bad liver, diseased kidneys, female troubles, typhoid fever, appendicitis, weakness, nervousness, run down and general bad health, when every drop of your blood contains the germs of rotting food?

Get clean—rid your system of this foul mass that is undermining your health. Good health is within reach if you will accept it. A physic can't help you—makes you worse—you know this from experience. It paralyzes the bowel muscles and increases the stoppage. Mull's Grape Tonic is not a physic; differs from anything else known. It takes the poison—strengthens the bowel muscles—makes you entirely new, sweet and clean inside, same as a castle soap bath makes you outside. After that whole-some food, fresh air and exercise will do the rest.

It is not too late to recover your health. Act today. One bottle of Mull's Grape Tonic does wonders—it is unlike anything else you have ever used. Two or three bottles may cure you entirely—suppose it takes six—would be thankful.

Spring is here. It's time to clean house and tune up inside. Mull's Grape Tonic will give you a new, clean, fresh body. Your loss if you do not accept it. This offer may not appear again.

FREE COUPON.

Send this coupon and your druggist's name to Mull's Grape Tonic company, 2186 Third Avenue, Rock Island, Ill., and receive an order on your druggist for a free bottle of Mull's Grape Tonic.

Write your name and address plainly on a separate piece of paper and mail at once with this coupon.

Your druggist sells it. The one dollar bottle contains nearly three times the fifty cent size.

DAVENPORT DOTS.

Boy Burglars.

Two boys, one of them a youthful incorrigible, are under arrest for breaking and entering the plant of the Davenport Leaf Tobacco company, better known as the Haak Cigar factory on Fourth street and Western avenue. They will be sent before Judge Bollinger as candidates for the reform school. The two boys are Dan Connors and Willie Harcom, aged 12 and 13 years respectively.

Want New Trial.

Lane & Waterman, attorneys for Michael Conroy have filed a motion with the clerk of the court wherein they ask a new trial, setting forth errors of the county attorney in his opening statements to the jury previous to its examination; of the court in failing to sustain the defendant's motion to exclude Barrie's evidence, as also in other rulings made by Judge Barker.

Last of Theatre.

The closing chapter in the career of the Davenport theatre in this city was enacted yesterday, when all the remaining effects, including some 30 tables and between 400 and 500 chairs, were sold at public auction by Constable Byron Rumsey to satisfy a mortgage held by Frank Harter and by him assigned to the Drake Furniture & Carpet company. The goods were bought in by the above company for \$109.

Threat to Kill.

James Morris, a tall distinguished looking fellow, was placed under arrest on complaint of a woman named Bert Leffler, with whom he had at one time been enamored. Miss Leffler is one of the denizens of the East Side. She told the police that a woman calling herself Della Fox had repeated to her a conversation which she had with Morris, and which was to the effect that he, Morris, would put a bullet into his exsweetheart, whensoever he would meet her. This threat alarmed the Leffler woman, who repeated it to the officers with the result that Morris was arrested, and booked for threatening to commit a public offense.

Child Struck.

Sunday evening a deaf and dumb child named Cronk, living on Second street near Davis, was struck by a Rock Island switch engine as he was crossing the tracks which bisect Second street near the Independent Malt-plant company's plant. The child is between 6 and 7 years of age, and owing to its physical defects could not hear the approach of or the ringing of the warning bell on the locomotive. The switch engine is provided with a foot-board instead of a pilot, and was moving very slowly. The footboard struck the child and tossed him from the track, saving his life.

Obituary Record.

Another pioneer German and Catholic entered into rest yesterday morning, when Lorenz Rogge passed to his reward. Death came after an illness of several months' duration at his home, 1236 West Eighth street. Deceased was born in Babersfeld, Germany, Nov. 1, 1838, and was 66 years old when he died. In 1864 he was married to Dorothea Meinhart, who survives him with the following children: Philip L., living on the old homestead in Sheridan township; Mrs. John A. Freund, Mrs. Ignatz Freund and Mrs. Albert Freund, of Pleasant Valley township. Mrs. Magdalena Lehmkuhl died at her home two miles east of Mt. Joy, Sunday evening at 6:30 o'clock, after a long illness extending over a year's duration. She was born in Probstel, Holstein, July 29, 1844, and came to this country with her mother and relatives in 1865.

DR. M. F. CLAUSIUS

Office Hours: 8:30 to 10:30 a. m.; 2 to 4, 7 to 8 p. m.

Kimball building, room 3, Moline, Ill.

Main street, yesterday, occurred the death of Mrs. Angie Verd Wolverton, wife of Conductor Ely W. Wolverton, of the C. M. & St. P. railway, aged 35 years. Deceased resided in Des Moines, but had been here taking treatment for a complication of diseases which caused her death. Besides her husband two children, Leo and Frank, both at home in Des Moines, survive. The remains will be taken to Stuart, Iowa, where the funeral will be held and interment will be made.

At noon Sunday, at the Scott county hospital, aged 72 years, occurred the death of William Jensen, who was born in Germany and came here when a boy, residing here ever since. He is survived by several children.

At the Scott county infirmary Sunday occurred the death of Ernst Lang behn, at the age of 44 years.

MOLINE MENTION.

Two Die in Week.

Pathetic indeed is the trouble that has come to the family of J. M. Dailey, a colored resident of this city, who lives at 1623 Thirteenth avenue. To have two sons claimed by death in a few days, under the most trying circumstances, is the tale. Last week the 10-year-old son, Calvin, died of cerebro-spinal meningitis. The mother accompanied the remains to Louisiana, there to inter them. She has not yet returned. Yesterday morning another son, a young man, died of tuberculosis.

Wedding Announcement.

Adolph Edwards, of Twenty-fifth street and Sixth avenue, and Miss Ella Harris, for several years a teacher of the grade school corps of the city schools, will be married before the summer has fled. Mr. Edwards is a prominent young Moline man and is a railway postal clerk, while Miss Harris has a wide circle of friends in this city.

Baptist Pastor Soon Here.

Members of the Swedish Baptist church received a communication from their new pastor, Detlof Lofstrom, that he preached his farewell sermon to the congregation at McKeesport, Pa., Sunday, and that he would leave at once for Chicago. He will remain there this week and will occupy the pulpit in one of the churches next Sunday and will come to Moline that week and will preach his first sermon to a Moline congregation Sunday, April 9.

Launch Burns.

A launch belonging to Fred Moran and Charles Keoholtz was burned in the river at the foot of Twenty-fifth street Sunday evening. The craft, which was a trim one with every convenience, was moored 10 feet from shore, and it is suspected that the firebrand was applied by marauders intent on doing mischief. The craft was completely destroyed.

Plans for New Opera House.

Sidney Lovell, of Chicago, has been awarded the work of preparing plans for the new opera house. The selection has been made by Chamberlin, Kindt & Co., and Mr. Lovell is at present preparing the working plans. All the contracts and the deed to the property are now in the hands of the Peoples Savings Bank & Trust company. The plans of Mr. Lovell insure a building as nearly fireproof as possible. An innovation in Mr. Lovell's plans is that of a tunnel under the building. There will be wide and ample exits from various parts of the theatre to the entrance and to this tunnel, which will lead to terra firma at the rear. The tunnel may be gained from the stage and the dressing rooms, the latter to be located under the auditorium floor just in front of the stage that all the room possible may be utilized for stage purposes. The stage proper will be exceeded in general dimensions by only one Chicago theatre—the Auditorium.

True is Out.

Charles H. True, assistant superintendent for the Rock Island road in the East Moline shops, has resigned his position. He has no definite plans for the future, but will go from here to Chicago April 1, when the change becomes effective.

Peterson-Nyquist.

Miss Freda W. Nyquist, and John Peterson were married Saturday evening at the Methodist parsonage, Rev. J. P. Miller officiating. The young people were attended by Miss Alma Peterson, sister of the groom, while Philip Nyquist, brother of the bride, acted as the best man. The couple have gone to housekeeping at 1808 Fifteenth avenue, where the groom has prepared a home for his bride.

Obituary Record.

Fred S. Johnston has received word that his sister, Mrs. George Kempton, had died in the Northwestern hospital last week at Minneapolis.

Miss Julia Clark, aged 68 years, died at her home yesterday. She was a native of New York and lived in this state and city for the past 15 years. She lived alone at 1719 Twelfth street and was a devout Christian, being at the time of her death a member of the Second Congregational church.

Frank, the 6-week-old son of Mr. and Mrs. Philip Lakose, 1930 Tenth street, died yesterday after a brief illness.

Miss Lillian Barsell Moline

THE WINNING STROKE

If more than ordinary skill in playing brings the honors of the game to the winning player, so exceptional merit in a remedy ensures the commendation of the well informed, and as a reasonable amount of outdoor life and recreation is conducive to the health and strength, so does a perfect laxative tend to one's improvement in cases of constipation, biliousness, headaches, etc. It is all important, however, in selecting a laxative, to choose one of known quality and excellence, like the ever pleasant Syrup of Figs, manufactured by the California Fig Syrup Co., a laxative which sweetens and cleanses the system effectually, when a laxative is needed, without any unpleasant after effects, as it acts naturally and gently on the internal organs, simply assisting nature when nature needs assistance, without griping, irritating or debilitating the internal organs in any way, as it contains nothing of an objectionable or injurious nature. As the plants which are combined with the figs in the manufacture of Syrup of Figs are known to physicians to act most beneficially upon the system, the remedy has met with their general approval as a family laxative, a fact well worth considering in making purchases.

It is because of the fact that **SYRUP OF FIGS** is a remedy of known quality and excellence, and approved by physicians that has led to its use by so many millions of well informed people, who would not use any remedy of uncertain quality or inferior reputation. Every family should have a bottle of the genuine on hand at all times, to use when a laxative remedy is required. Please to remember that the genuine Syrup of Figs is for sale in bottles of one size only, by all reputable druggists, and that full name of the company—California Fig Syrup Co., is plainly printed on the front of every package. Regular price, 50c per bottle.

NOTES OF THE RIVER.

The stage of water was 9.95 at 6 a. m. and 10 at noon. The E. Rutledge and R. D. Kendall were south with logs.

It has been reported that the ice has not been so heavy in the north country this winter as the year before. Thus Lake Pepin had only eight inches of ice, compared to the previous season, when it froze to 42 inches in some places. This was due to the ice being

covered with a foot of snow when cold weather came. And that, too, when the winter just passed was an unusually cold one.

The steamer Rutledge and consort, Kendall, came down this morning from Cattail slough with a string of logs for the Weyerhaeuser & Denkmann mill, which will begin operations tomorrow or Thursday.
